

6 x 9 Envelope Front

Use this template if you are going to have printing on the front of your envelope.

The blue line marks the "safe area". It is 1/4" inside the edge of your printed envelope. You should never put any wording, logos, or other important art closer than 1/4" from the edge, or it may get trimmed.

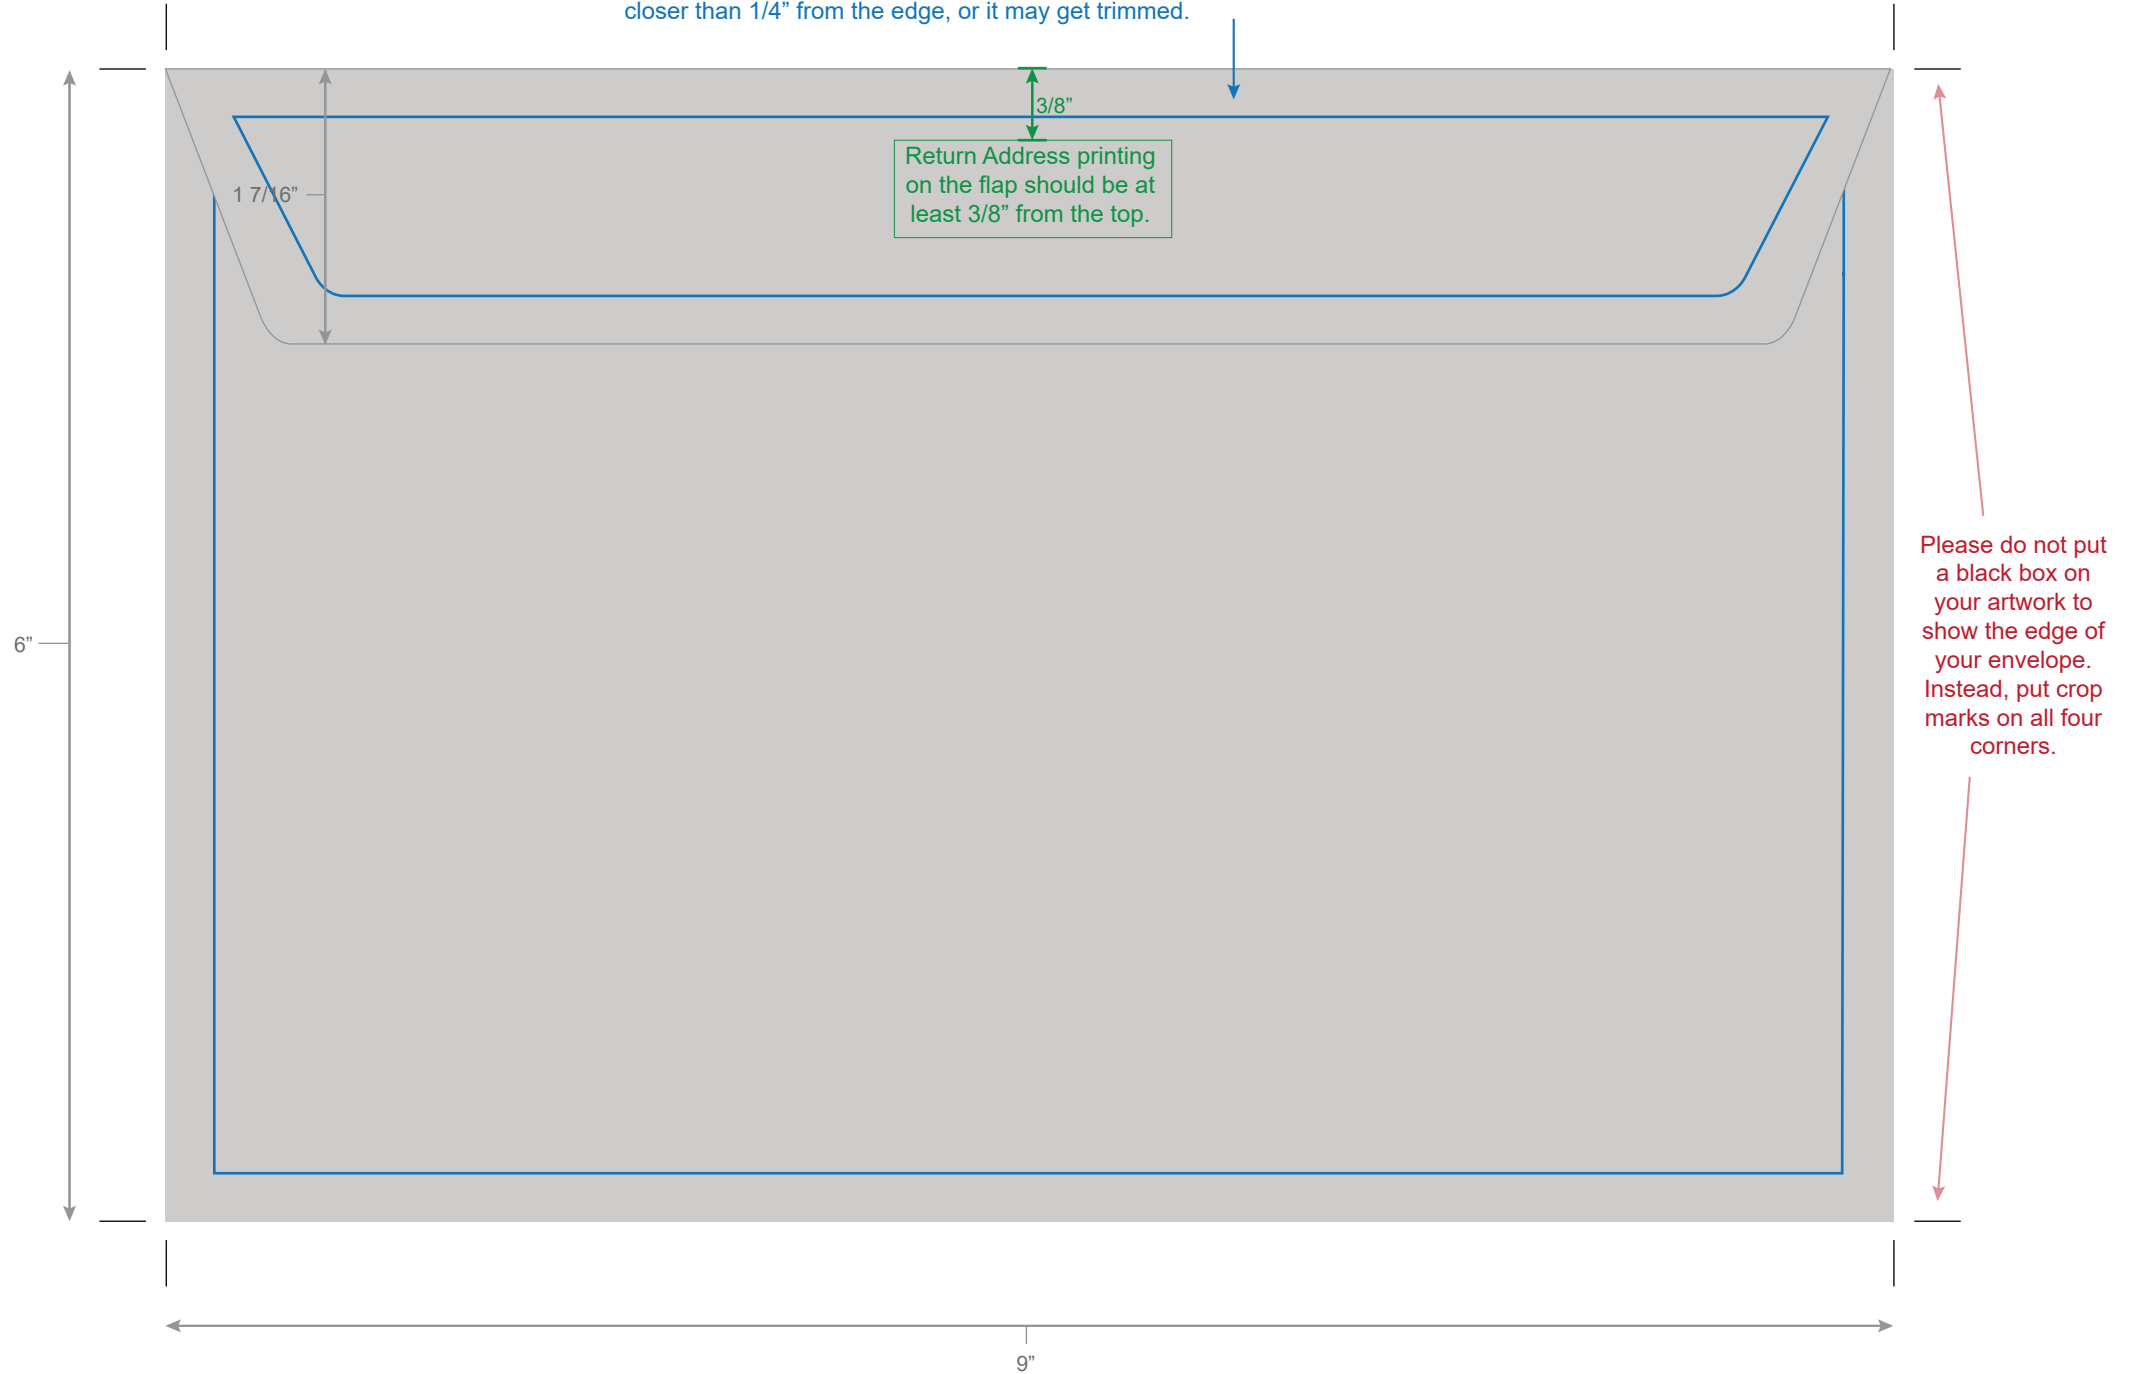

If your software does not do this for you, make your document page size large enough to make room for crop marks.
