SAFE MARGIN - Your file needs to include a 0.25" safe margin necessary for production. Safe margin is the area around the edge of the sheet. Unlike our other printing products, the Safe Margins on envelopes are larger. We are unable to print all the way to the edge of the envelope. Please insure that there is no art inside of the safe margin for the envelope products. More information on Cutting Tolerance can be found on our website: www.smartpress.com

BLEED - We are unable to have artwork bleed on envelopes. Please see Safe Margin explanation for more details. More information on bleeds can be found on our website: www.smartpress.com

WINDOW AREA - Features a window on the front left side of the envelope that measures 4.5" x 1.375". The "H" side seam window is positioned .875" from the left, and .625" from the bottom.
