

SMARTPRESS

FOLDING OPTIONS

as listed in the drop-down menus

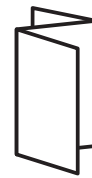

Single Fold

One crease creating two panels
Example: 11x8.5 to 5.5x8.5

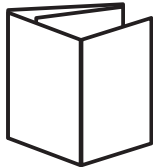

Tri Fold

Two creases creating three panels
Example: 11x8.5 to 3.66x8.5

Z Fold

Two creases, folding panels in alternating directions
Example: 3-panel accordion 11x8.5 to 3.66x8.5

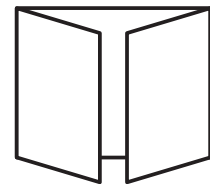

Roll Fold

Like a Tri-fold, three or four creases continually folding piece inward
Example: 4-panel Roll 16x6 to 4x6

Accordion Fold

Three or four creases, folding panels in alternating directions
Example: 4-panel accordion 14x8.5 to 3.5x8.5

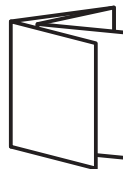

Gate Fold

Three panels, two outer panels fold in to meet in center but not overlap
Example: 12x6 to 6x6

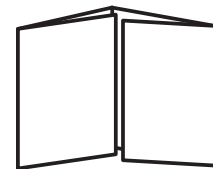

Double/French Fold

Two perpendicular folds
Example: 17x22 to 8.5x11

Double Parallel Fold

Four panels creasing in half twice in same direction
Example: 12x8 to 3x8

Custom Fold

(extra charges may apply)
All custom folds require a custom quote
