

FAQ

Q: What does LifeWise teach?

A: LifeWise classes focus on core themes of the Bible, what we refer to as the “main and plain things” of Scripture, with emphasis on the gospel of Jesus Christ. Each lesson reviews a Bible passage as well as a “Living LifeWise” character trait, such as respect, love or kindness.

Q: Why should students, even those without a Christian background, learn about the Bible?

A: LifeWise Academy recognizes that the Bible was foundational to the formation of our society. We believe all students, regardless of religious background, can benefit from a greater understanding of such an influential book.

Q: Does LifeWise interfere with classes during the school day?

A: No, while LifeWise is held during the school day, it does not interfere with students’ mandatory courses. The class schedule is set by school personnel in consultation with LifeWise representatives. Classes are held during non-core academic periods, such as during lunch or electives.

Q: How much does LifeWise Academy cost?

A: Each LifeWise program is funded by private donations through local fundraising efforts. There is no cost to schools or participating families.

Bible Education DURING SCHOOL HOURS

Who BENEFITS

STUDENTS

Independent research conducted by Thomas P. Miller and Associates in 2023 found that schools with LifeWise programs report notable enhancements in student conduct, academic engagement and school morale.

FAMILIES

Feedback from parents consistently shows that LifeWise helps foster values like respect, responsibility and self-discipline. Overwhelmingly, parents believe that LifeWise contributes positively to their child's overall development and recommend the program to others.

COMMUNITIES

Increased engagement from parents, community leaders and local organizations fosters a supportive environment for students. Entire communities benefit from the long-term investment in creating a generation of citizens with stronger morals and character.

HOW IT WORKS

LifeWise Academy exists to positively impact students, schools and communities through a Bible-based character education program for public school students.

1

WE KEEP IT LEGAL

LifeWise operates under a 1952 U.S. Supreme Court ruling that allows religious instruction during school hours. Programs are privately funded, off school property and parent permitted.

2

WE KEEP IT SIMPLE

Students receive clear, foundational biblical teaching that strengthens their faith and supports positive character development.

3

WE KEEP IT PRACTICAL

Students don't just hear about good character, they learn how to apply biblical truth in their classrooms, homes and communities.

"The decision to enroll in LifeWise has proven to be a great investment in our children's spiritual and intellectual growth."
