What? A MISSED OPPORTUNITY

Decades ago, around the time when the Bible and prayer were being removed from public education, a window of opportunity was opened. The U.S. Supreme Court decision *Zorach v. Clauson* determined that teaching the Bible during the public school day was constitutional and therefore legal in all 50 states under three conditions:

- 1 OFF SCHOOL PROPERTY**
Program must be held off site of school premises.
- 2 PRIVATELY FUNDED**
No government funds can be used for this program.
- 3 PARENT PERMITTED**
Parental permission is required for child's participation.

How? THE LIFEWISE SECRET SAUCE

LifeWise has been building and refining an innovative ministry approach with an uncompromising commitment to three values. LifeWise is:

GOSPEL-CENTERED

The gospel isn't just part of what we do; it's the heart of what we do. The gospel is the only way to truly transform the hearts of the next generation.

EXCELLENT

Anything worth doing for the Lord is worth doing well. That's why we strive for excellence in everything we do.

COMMUNITY-DRIVEN

While having a national reach, LifeWise remains a grassroots movement of local churches and community members stepping up to serve local students.
